COURSE OFFER DOUBLE DEGREE EXCHANGE STUDENTS 2026-2027

Important information to keep in mind when choosing **courses**

PROGRAMMES OPEN FOR DOUBLE DEGREE EXCHANGE STUDENTS:

1. If your home university has a double-degree agreement with EM Normandie, you may apply to one of our following study programmes (depending on each agreement):
 - BACHELOR IN MANAGEMENT - YEAR 3 - INTERNATIONAL MANAGEMENT (BMI3) : Bachelor Degree
 - MASTER IN MANAGEMENT - GRADUATE YEAR 5 (M2): Grade de Master Degree

Please note that programmes have limited spots for double-degree students. In rare cases, if we have more applicants than spots, applications will be reviewed.

Non-elected students will be offered an alternative option.

COURSE VALIDATION REQUIREMENTS

1. All courses listed in the course offer for the chosen study programme are mandatory and must be reflected in your learning agreement.
2. You cannot mix courses from different semesters, different specializations (unless otherwise specified), different campuses and different levels of study.
3. Each course is validated by acquiring ECTS (European Credit Transfer System). For grading system, please read the Welcome Guide.
4. If the course is indicated as NCB (Non-credit bearing), it means that no credits are awarded for this course. Non-credit-bearing courses require a 10 out of 20 grade to pass the course. Please note that class attendance is mandatory and that the course will be graded. Grade will appear on transcript.
5. Once you arrive at EM Normandie, you will have to send your transcripts from the previous semesters at your home university to be confirmed as a double-degree student.

COURSES & EXAMS AT EM NORMANDIE

1. Each course is validated by obtaining **ECTS credits** (European Credit Transfer System). For details on the grading system, please refer to the Welcome Guide.
2. Courses may be scheduled in intensive blocks (for example, a course delivered over a single week). **All business courses are taught in person**; language courses may occasionally be delivered online.
3. All examinations (continuous assessment or final exams) and resits take place **in person on campus**. EM Normandie does not organise any resits online. Resit dates will be communicated to students at the beginning of each semester by their Academic Director.
4. Students requiring **specific accommodations** for their courses must speak with their EM Normandie coordinator and the Wellness Department during the application process.

VISAS & IMMIGRATION

As much as we want to welcome you on all of our campuses unfortunately there are immigration restrictions depending on your nationality and the country of the EM Normandy campus over which we have no control. Please check carefully before you choose your campus.

French campuses (Paris, Caen, Le Havre) :

- European students: no visa required.
- Non-European students: visa required (short or long term)

Our government has a [unique website](#) for all visa requests.

Oxford campus:

Since the Brexit, the UK government has decided to divide citizens in two lists:

Non-visa nationals: EU, EEA & Swiss citizens can study in the UK for a short period (less than 6 months) without a visa.

Visa nationals: students from countries on [this list](#) will have to obtain a « Standard Visitor Visa » (cost of 120£)

Please check you students' eligibility on [the government website](#) and let us know if you have any questions/doubts.
